Hydrating Cleansing Bar for Hair & Skin effect

Hydrogen MG & 20+ natural ingredients

04

Hydrogenated MG: Forms a moisture film (bond of oxygen and hydrogen (H₂O)) on hair, protecting scalp damage. Increases the penetration of blended natural ingredients and maintains a high moisturizing effect. Latest patented technology. It contains abundant minerals and hydrogen.

Palm oil: Use on the skin to help moisturize and prevent aging. Contains vitamin E to prevent oxidation.

Olive fruit oil: Prevents skin aging. Moisturizing effect. Softens hardened skin and reduces skin problems.

Castor oil: Cleopatra was also a favorite. Remove hair and scalp stains. Omega 9 fatty acids promote hair growth. Minerals, vitamins, and proteins promote hair root and scalp growth for healthy hair. The excellent moisturizing effect, effective for the care of damaged hair tips and split ends.

Charcoal: Adsorbs accumulated skin waste and promotes discharge.

Shea butter: Rich in oleic acid, excellent moisturizing effect. Moisture is firmly confined in the skin and promotes firmness. The antioxidant action of stearic acid. It contains a lot of natural vitamin E and is effective in preventing aging. Prevent sunburn with anti-inflammatory action. Promotes wound healing.

Grape seed oil: Anti-aging effect of the skin by antioxidant action and active oxygen removal action. Maintains firmness, elasticity and fresh skin by softening the skin and firmly confining moisture inside the skin.

Rice bran oil: Abundant vitamin E exhibits a high antioxidant effect. Anti-aging and anti-aging effects.

Illite: Excellent in antibacterial activity, effective in alleviating various skin diseases and improving acne. Hair growth / hair growth improvement.

Saccharomyces cerevisiae extract: Improves skin barrier function. It improves scalp redness and reduces hair loss. Moisturizing effect.

Coconut oil: Softens the skin and makes it easier to remove old keratin. Lauric acid improves immunity. Prevents drying of hair. Prevents gray hair and restores hair.

Roman chamomile flower extract: extremely excellent anti-inflammatory action, skin metabolism promoting action, antibacterial action, and hair loss suppressing action. Axillary deodorant effect by inhibiting alkaline phosphatase.

Lanolin: Natural oil extracted from pristine wool. Easily adapts to the skin and prevents water evaporation from keratin. Conditioning effect.

Colloidal sulfur: bactericidal effect by reducing action. Prevents keratinization of skin.

Sunflower seed oil: softens skin and controls sebum. Skin-soothing antioxidant effect. Prevents split ends and cuts and protects hair from damage.

Rosemary: anti-inflammatory, antibacterial, antiviral, antioxidant. Prevents dandruff, activates blood flow on the scalp and is also effective for hair growth.

Hyaluronic acid: Effective in moisturizing skin with outstanding water retention.

ORANGE OIL: WIDELY USED TO TREAT SKIN DISEASES. PARTICULARLY EFFECTIVE IN TREATING ACNE AND DANDRUFF SEBORRHEIC HAIR LOSS

DOKUDAMI: A DETOXIFYING ACTION IN WHICH POTASSIUM RELEASES TOXIC SUBSTANCES AND WASTE PRODUCTS FROM THE BODY. DETOX EFFECT.

ULTICADIO SQUID EXTRACT: HAIR PH ADJUSTMENT AND DAMAGE PROTECTION EFFECT.

HIPPOPHAEALAM INODES FRUIT EXTRACT: RICH IN VITAMINS. IT HAS A LOT OF UNSATURATED FATTY ACIDS, HIGH ANTIOXIDANT EFFECTS, AND AN EXCELLENT AGING CARE EFFECT.

TEA LEAVES: SUPPRESSION OF BACTERIAL GROWTH, BACTERICIDAL EFFECT, CONTROL OF OILY SKIN AND SEBUM, PREVENTION OF SKIN AGING

ALOE VERA JUICE: PROMOTES BLOOD CIRCULATION. CELL REGENERATION EFFECT. ANTIBACTERIAL EFFECT. DETOXIFICATION FUNCTION.

HOW to USE

SKIN CARE DONE RIGHT!

- 1 **Lather Up-rub Shampoo Bar H2 between your hands to create a nice lather
Apply evenly on the scalp, hair and face
(It can be used as an all-in-one soap for the whole body)**
- 2 **Leave for 3-5 minutes to allow Mg hydrogen and natural components to
penetrate.
After a light massage for 1 minute with hands, rinse it thoroughly off**
- 3 **If necessary, use a rinse after shampooing.**
- 4 **After use leave Shampoo Bar H2 dry till the next use**

【Precautions for use】

Please use it paying careful attention to your skin. stop using the product if it does not fit your skin. that is, in the following case. if you continue to use cosmetics as they are, symptoms may worsen. Please consult a dermatologist.

- ①Abnormalities such as redness, itching, painful swelling, color loss (white spots etc.) and darkening due to irritation of allergy appear during or after use.
- ②If the skin is exposed to direct sunlight and appears abnormal as described above.
